# Assistant Minister for Music (part-time or full-time)

St Mary's is an Anglican conservative evangelical church in the centre of Basingstoke. We are a congregation of about 400 from a range of ages, backgrounds and all walks of life. We desire to be a church that is shaped by Jesus' words so that we will share his words with those around us.

We are looking for someone to join the staff team who will serve the congregation by coordinating, leading, and developing musicians to lead people in singing with thanksgiving to the Lord.

The ideal candidate will have experience of leading music in a church context, be committed to gospel-centred music ministry and have good inter-personal skills.

## **Key responsibilities:**

- **Oversight of music across various services.**
- **Leading and playing at services**
- **Support, teaching and train teams of volunteers**
- **Development of music to support the wider ministry of the church**
- **Planning one-off community events.**
- **Overseeing the technical support teams.**

We are open to combining this position with another ministry responsibility, such as children and youth, or creative ministry, to create a full-time role (depending on experience).

There is an occupational requirement that the post-holder be a Christian.
