

# 1 Corinthians 11:2-16

1. The issue: head coverings.

2. The answer: everyone has a head.

3. The relevance: honour “heads.”

Timeless theological principle	Cultural expression then	Cultural expression now
You are brothers in Christ	A holy kiss	A hug or handshake?!
Men and women are different but equal	Men and women cover their heads differently	

## Reflection questions

1. Where does Paul’s teaching on men and women challenge and/or encourage me?
2. How might our church culture either promote God’s design for men and women or discredit it?
