Children's Worker

St Mary's is an Anglican conservative evangelical church in the centre of Basingstoke. We are a congregation of about 400 from a range of ages, backgrounds and all walks of life. We desire to be a church that is shaped by Jesus' words so that we will share his words with those around us.

We are looking for someone to join the staff team as a children's worker. The overall purpose of the role is to equip leaders and families to make disciples of children in the church and community. We would like someone who can be trained to take oversight of the ministry of our 0-11 year olds, as well as learning to lead our children's leadership teams, and in the future, consider new opportunities and approaches to children's ministry.

The ideal candidate will be a servant-hearted leader who is willing to learn under the support of the current children's minister, work well with other staff members, and support the wider ministry of the church.

Key responsibilities:

- **Training to take oversight of ministry of 0–11 year-olds.**
- **Learning to lead children's leadership teams.**
- **Teaching and training.**
- **Development of the programme.**
- **Working with the Youth Worker.**
- **Ensuring a safe environment.**

There is an occupational requirement that the post-holder be a Christian.
